2019-2020 Executive Team Election Packet

As mentioned in my goals for the position, I intend to ensure that the NDSA is as inclusive and transparent as it can be for students by running the organization in an honest and open way. I also intend to reach out and empower more students to get involved within the organization by inviting more students to join a variety of councils and task forces. I want to build a community within our general assembly where ideas can be shared and I plan to collaborate with other institutions within the organization to see this happen. Furthermore, with the help of the Executive Team, I hope to ensure that the NDSA remains a strong advocate for every student in North Dakota.
